

Attention Landowners:

The Sandhills Longleaf Pine Conservation Partnership
is hosting a **LEARN AND BURN** day

Date range: January 21—February 7, 2014

A fire field day for landowners to watch/help with a
prescribed burn on property near Chesterfield, SC

(When suitable weather conditions are predicted, we will contact registrants
3 days prior and then confirm the day before the event)

Agenda:

Introduction

Weather

Fuel conditions

Smoke management

Fire line check

Burn authorization

Safety

Ignition

Monitoring

Mop up

***Landowners are encouraged to participate in this burn! This is a hands-on field day to see what burning is all about. Participants can choose to only observe if they prefer but this will not be a day to wear “good” clothes.**

*Lunch will be provided but please register by January 14th , 2014 by contacting:
Wayne Harris at 843-727-4707 ext. 302 or billy_harris@fws.gov*
